The Role of Themes

If each scenario is like a mirror angled toward a different part of you.
The CTRL level shows how clearly you see yourself.
The theme shows which mirror you were looking into.

What the key theme represent...

Disclaimer

This assessment is intended for personal development and self-reflection only. It is designed as a reflective tool to support learning and growth. It is not a psychological test, diagnostic instrument, or substitute for professional advice. The insights provided are interpretive in nature and should be considered as guidance for reflection rather than definitive conclusions.

GDPR & Data Protection

We are committed to protecting your personal data and ensuring compliance with the General Data Protection Regulation (GDPR).

- Data collected during the assessment is limited to what is necessary for generating this report.
- Your personal data (such as name or responses) will not be shared with third parties without your explicit consent.
- Data is processed securely and retained only for as long as necessary to fulfil the purposes outlined.
- You have the right to request access to, rectification of, or deletion of your data at any time.

By participating in this assessment, you acknowledge and consent to the processing of your data in accordance with these principles.

Limitation of Liability

The creators of this assessment accept no liability for actions taken or decisions made based on the contents of this report. Responsibility for personal or professional outcomes rests with the participant. While every effort has been made to ensure accuracy, completeness, and reliability of the information provided, no warranties, express or implied, are given.
